

YOUR TIRRELL ROOM STAFF CARES

We have always considered our customers part of our family and have always done our best to give back to our communities. This is especially true in times of crisis such as what our nation is currently facing.

We want to assure you that we are addressing the issue by stressing extensive sanitizing of surfaces and providing sanitizer stations for our employees and guests.

We continue to maintain our policy of frequent and thorough hand washing by all of our employees and monitoring for potential illness.

We are working closely with the CDC and our local Health Department to follow their guidance and participate in any recommended programs.

We wish you and your family all the best and look forward to serving you soon. Please let us know if you have any questions or concerns.

Best regards,

Mary Barrett Costello

Mary Barrett Costello, President and the entire Tirrell Room Team
